

Mr. JAMES F. WIGHT, of Milton, Randolph county, has kindly consented to act as agent for the TIMES at that place. Those in want of a cheap paper, are referred to our terms, and requested to call on Mr. Wight.

The attention of our readers in Charleston, Linn, Carroll, Livingston, Marion and Saline, is called to the advertisement of Messrs. Moberly & Halliburton, in to-day's paper.

GROCERIES.—See Mr. Perry's advertisement. His stock is the most complete ever brought to this market. Lay in your supplies before a further advance in prices.

T. ANSELL, Esq. of Fulton, is stumping it for Col. Benton. It is stated that the Hon. John Jamieson declined speaking at Mexico, Audrain county, as Mr. Ansell was on the ground ready to reply.

The Pittsburg Journal speaks of a patent Suction Power Pump now being exhibited in that city. It says: "With this pump, one man would be able to throw water over a three story house; and on farms, or in small villages, it would form a cheap and most valuable substitute for fire engines. We are informed that the United States' Government has adopted it for deck and fire purposes on its vessels and naval stations. The smaller pumps throw 24 gallons of water per minute."

APPOINTMENT BY THE GOVERNOR.—Wm. G. Minor Adjutant General for the State of Missouri in place of Gen. G. A. Parsons.

The entire whig ticket was elected at the recent election in New York city.

ST. JOSEPH AND HANNIBAL RAIL ROAD.
A surveyor is now on this route, making an estimate of the cost, and looking out the most practicable way from one point to the other. The citizens of Hannibal, St. Joseph, and along the route, subscribed \$5000 for the purpose of having the survey made, and the report of the engineer may soon be looked for.

CONGRESSMAN FROM NEW MEXICO.—We learn from Mr. McKnight, who passed down the river a few days since, just in from New Mexico, that Hon. Hugh Smith Delegate elect to Congress from the territory of New Mexico, has reached the States, and is at present at the residence of his father, in Lafayette county. Mr. Smith brings with him the Constitution adopted by the people of New Mexico, which will in due time be laid before Congress. Mr. McKnight brings no news of interest. The Indians were troublesome in the territory, but not on the route in. They encountered several severe snow storms on the plains.

It is understood that the Secretary of the Treasury is preparing quite a large volume upon the Tariff, in favor of specific duties, in which he will be aided by Mr. Hudson, the ex-member of Congress from Mass., and now the Naval Officer of Boston. The Secretary has written to all the Collectors for information upon this, and kindred subjects.

UP TOWN MELODY.

Music! Hark!
The bat was on his head,
The passing crowd admired;
A whispering maiden said—
"See how that man's attired!
What beauty in his waist,
How matchless his cravat;
And then how much he's graced
With that resplendent hat!"
He turned him from the throng
As he left Corinthian Hall,
But as he moves along
On him all glances fall.
Cried one, "Not Heaven's clear hue,
With starry radiance set,
Appears more fair to view,
Than yonder lust'rous jet!"

It came by all was raised,
His bosom swells with pride
While they admiring gazed
He raised his voice and cried—
"Friends would you have my joy,
And win an equal fame—
Your Hats in Broadway buy,
There's a few more left the same!"

Chestnuts to Plant for Hedges and Groves.

WE have made arrangements in the Virginia Mountains, to furnish any quantity of Chestnuts, packed in sand and leaves, for planting. By this process, they will keep green and sound for six or eight months. Chestnuts make as good a hedge as any other growth, and will protect a corn field in 3 or 4 years. Extra of this, the amount in value can hardly be calculated, that persons, in a few years may be benefited by having chestnut groves.

One bushel of Chestnuts planted, according to directions, will produce eight or ten thousand trees, and in 7 years each tree will make seven rails.

Farmers, by having Chestnut groves in a few years can have their farms fenced with the best rail timber in the world. The Chestnuts are packed in boxes of one bushel each, with sand and leaves, with directions how to plant. Wanted sound or another box furnished, or the money will be returned.

We will pay freight and forward them to any landing in Missouri, Illinois, Iowa, or Wisconsin, for \$5 per bushel. Orders punctually attended to. Money sent by mail at our risk. Orders must be sent in between the 10th of November and the 10th of December.

All post masters who will act as agents, and shall forward us 10 names and \$50, shall have one box extra.

DR. OSGOOD'S INDIA CHOLAGOUGE.

The cure of Fever and Ague; Chill Fever; Dumb Ague; Intermittent and Remittent Fevers; Liver Complaint; Jaundice; Enlargement of the Liver and Spleen, and all the various forms of Bilious diseases.

From S. F. Cary, Counsellor at Law, to the Agents in Cincinnati:

CINCINNATI, Oct. 11, 1849.

Messrs. Sanford & Park:—

In June last I was attacked with the most distressing and unpleasant disease, the Chill and Fever. The paroxysms returned daily, and were very severe. My physical energies had been very much impaired by a previous attack of bilious fever. Having tried several of the favorite remedies without relief, a friend in whom I had confidence, recommended Dr. Osgood's India Cholagogue. I procured a bottle, and followed the accompanying directions. The consequence was, I had but one paroxysm after the first dose, and my general health was rapidly restored without using any other medicine. I dispensed the remainder of the bottle to two other persons similarly afflicted, and with the same results. One of them had been shaking for eight months, and was relieved in two days by the use of the Cholagogue. I consider it my duty, as it is my pleasure, to recommend it, having the most entire confidence in its salutary power.

S. F. CARY.

REMEMBER—there is but ONE GENUINE CHOLAGOUGE, which is prepared by Charles Osgood, M. D.—the original inventor. Therefore, if you wish the TRUE MEDICINE, avoid all NAMELESS mixtures put up by any other person.

"Dr. Osgood's India Cholagogue" is sold wholesale and retail by H. BLANKLY & Co., Agents, southwest corner Third and Chestnut streets, St. Louis, Mo. To whom all orders from the Western states must be addressed. Sold also by Dr. O. Henderson, Glasgow, and N. A. Johnson, Brunswick.
